Concordia
UNIVERSITY

Presents a
Lecture and Discussion Series
with

Professor
Murray Bookchin
on

URBANIZATION WITHOUT CITIES:

THE RISE AND DECLINE OF CITIZENSHIP

*"Murray Bookchin is a very influential thinker
in the environmental movement..."*

David Suzuki
of The Nature of Things

*"We should have listened to Murray
Bookchin. For two decades he has been
warning us about what we are doing to our
society and what we are doing to one
another."*

The Nation

*"...his status as a penetrating critic not only
of the ways in which humankind is
destroying itself, but of the ethical
imperative to live a better life, is solid."*
